The 12th is better than the 3rd for me, but I could do either. What about you two?

Hi [REDACTED] -

Just a quick follow-up to my separate voicemails to each of you today about a meeting. We propose coming to meet with you on Thursday, November 5. Does that day work for you both? We plan to bring our Regional Counsel with us as well so please see if your attorney(s) could join too. Let me know if that day works, and let's talk about an agenda and meeting duration. Thank you.
